

REMARKS

Claims 2, 7, 9, 14, 16 and 21 are pending in this application. Claims 2, 9 and 16 are allowed. Claims 7, 14 and 21 are rejected under 35 U.S.C. 101. Claim 1 is currently amended. Reconsideration is requested.

Claims 7, 14 and 21 are rejected for being indefinite due to reciting “a controller capable of automatically choosing one of a plurality of radio frequencies.” Claim 7 has been amended accordingly. However, Applicant is unable to find that language or any similar language in claims 14 and 21. Withdrawal of the rejections is therefore requested.

For these reasons, and in view of the above amendments, this application is now considered to be in condition for allowance and such action is earnestly solicited. Should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone Applicants' Attorney at the number listed below so that such issues may be resolved as expeditiously as possible.

Respectfully Submitted,
